# Introduction

Flitting and fluttering among the flowers,
the fairies invite you to a fairy tale world.

Beyond this page awaits a princess sleeping in
a tall tower; dresses swaying this way and that;
dazzling, sparkling jewels; an old witch living
at the bottom of the sea; mischievous fairies
giggling amid the flowers, over the clear blue sky,
and deep within the forest.

Come and enjoy this
dreamlike fairy tale kingdom.

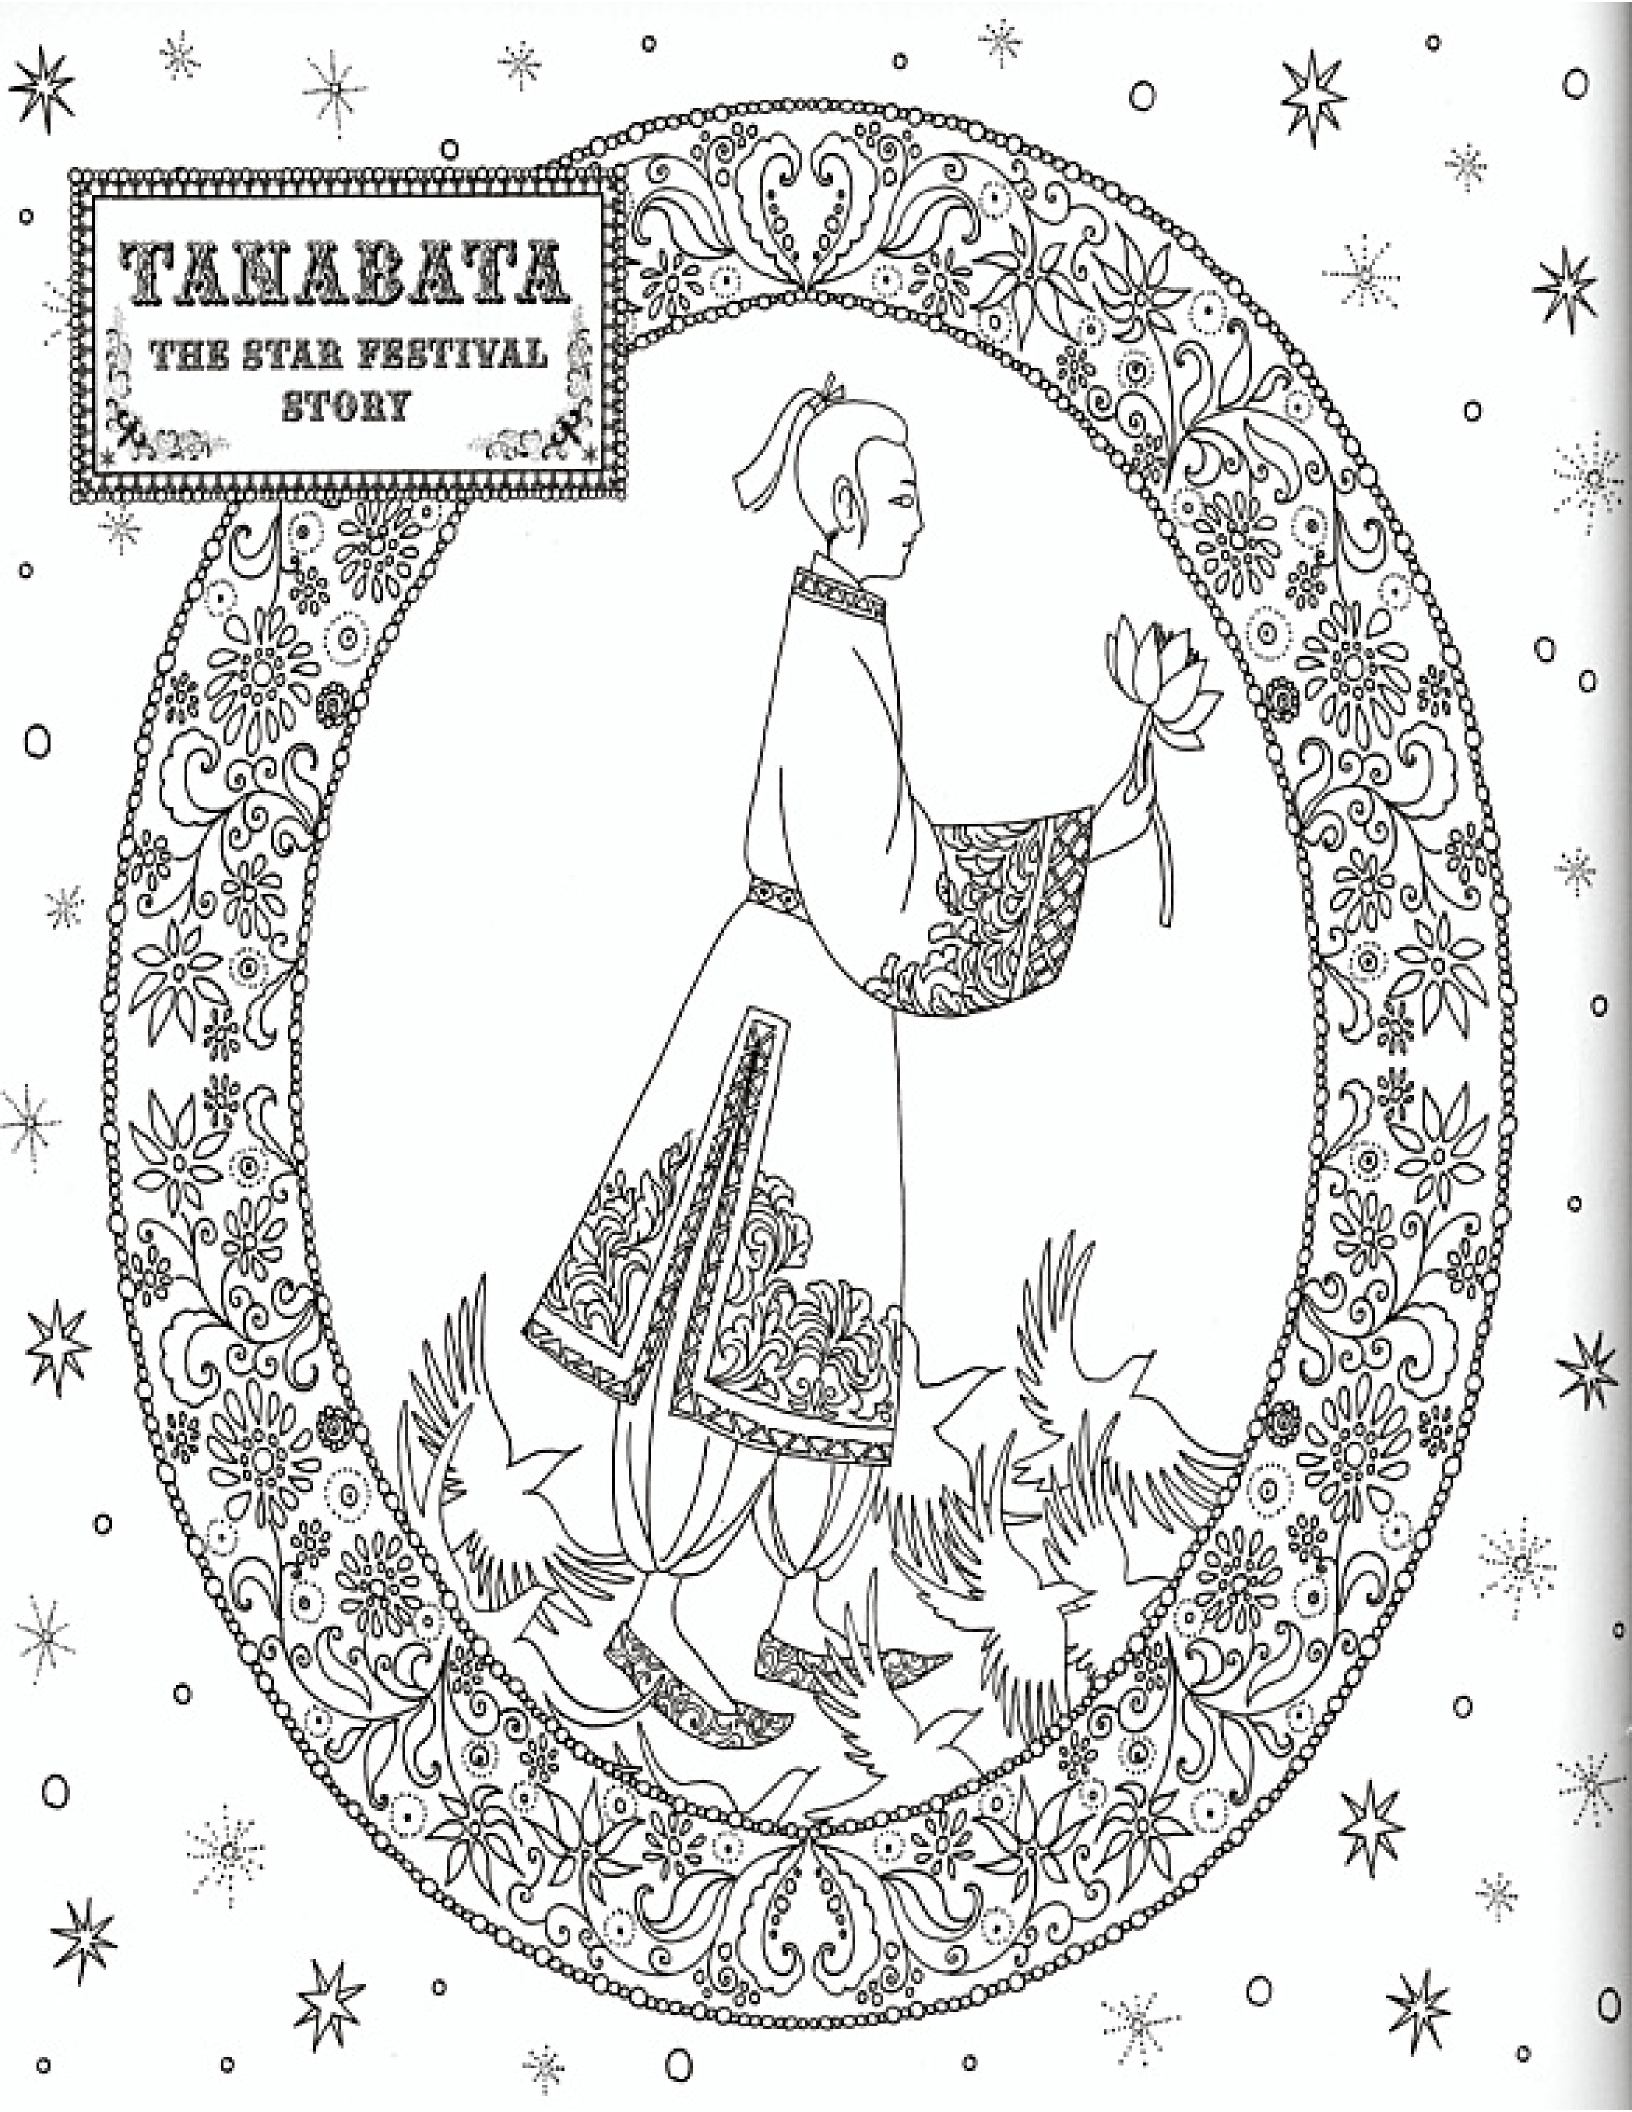
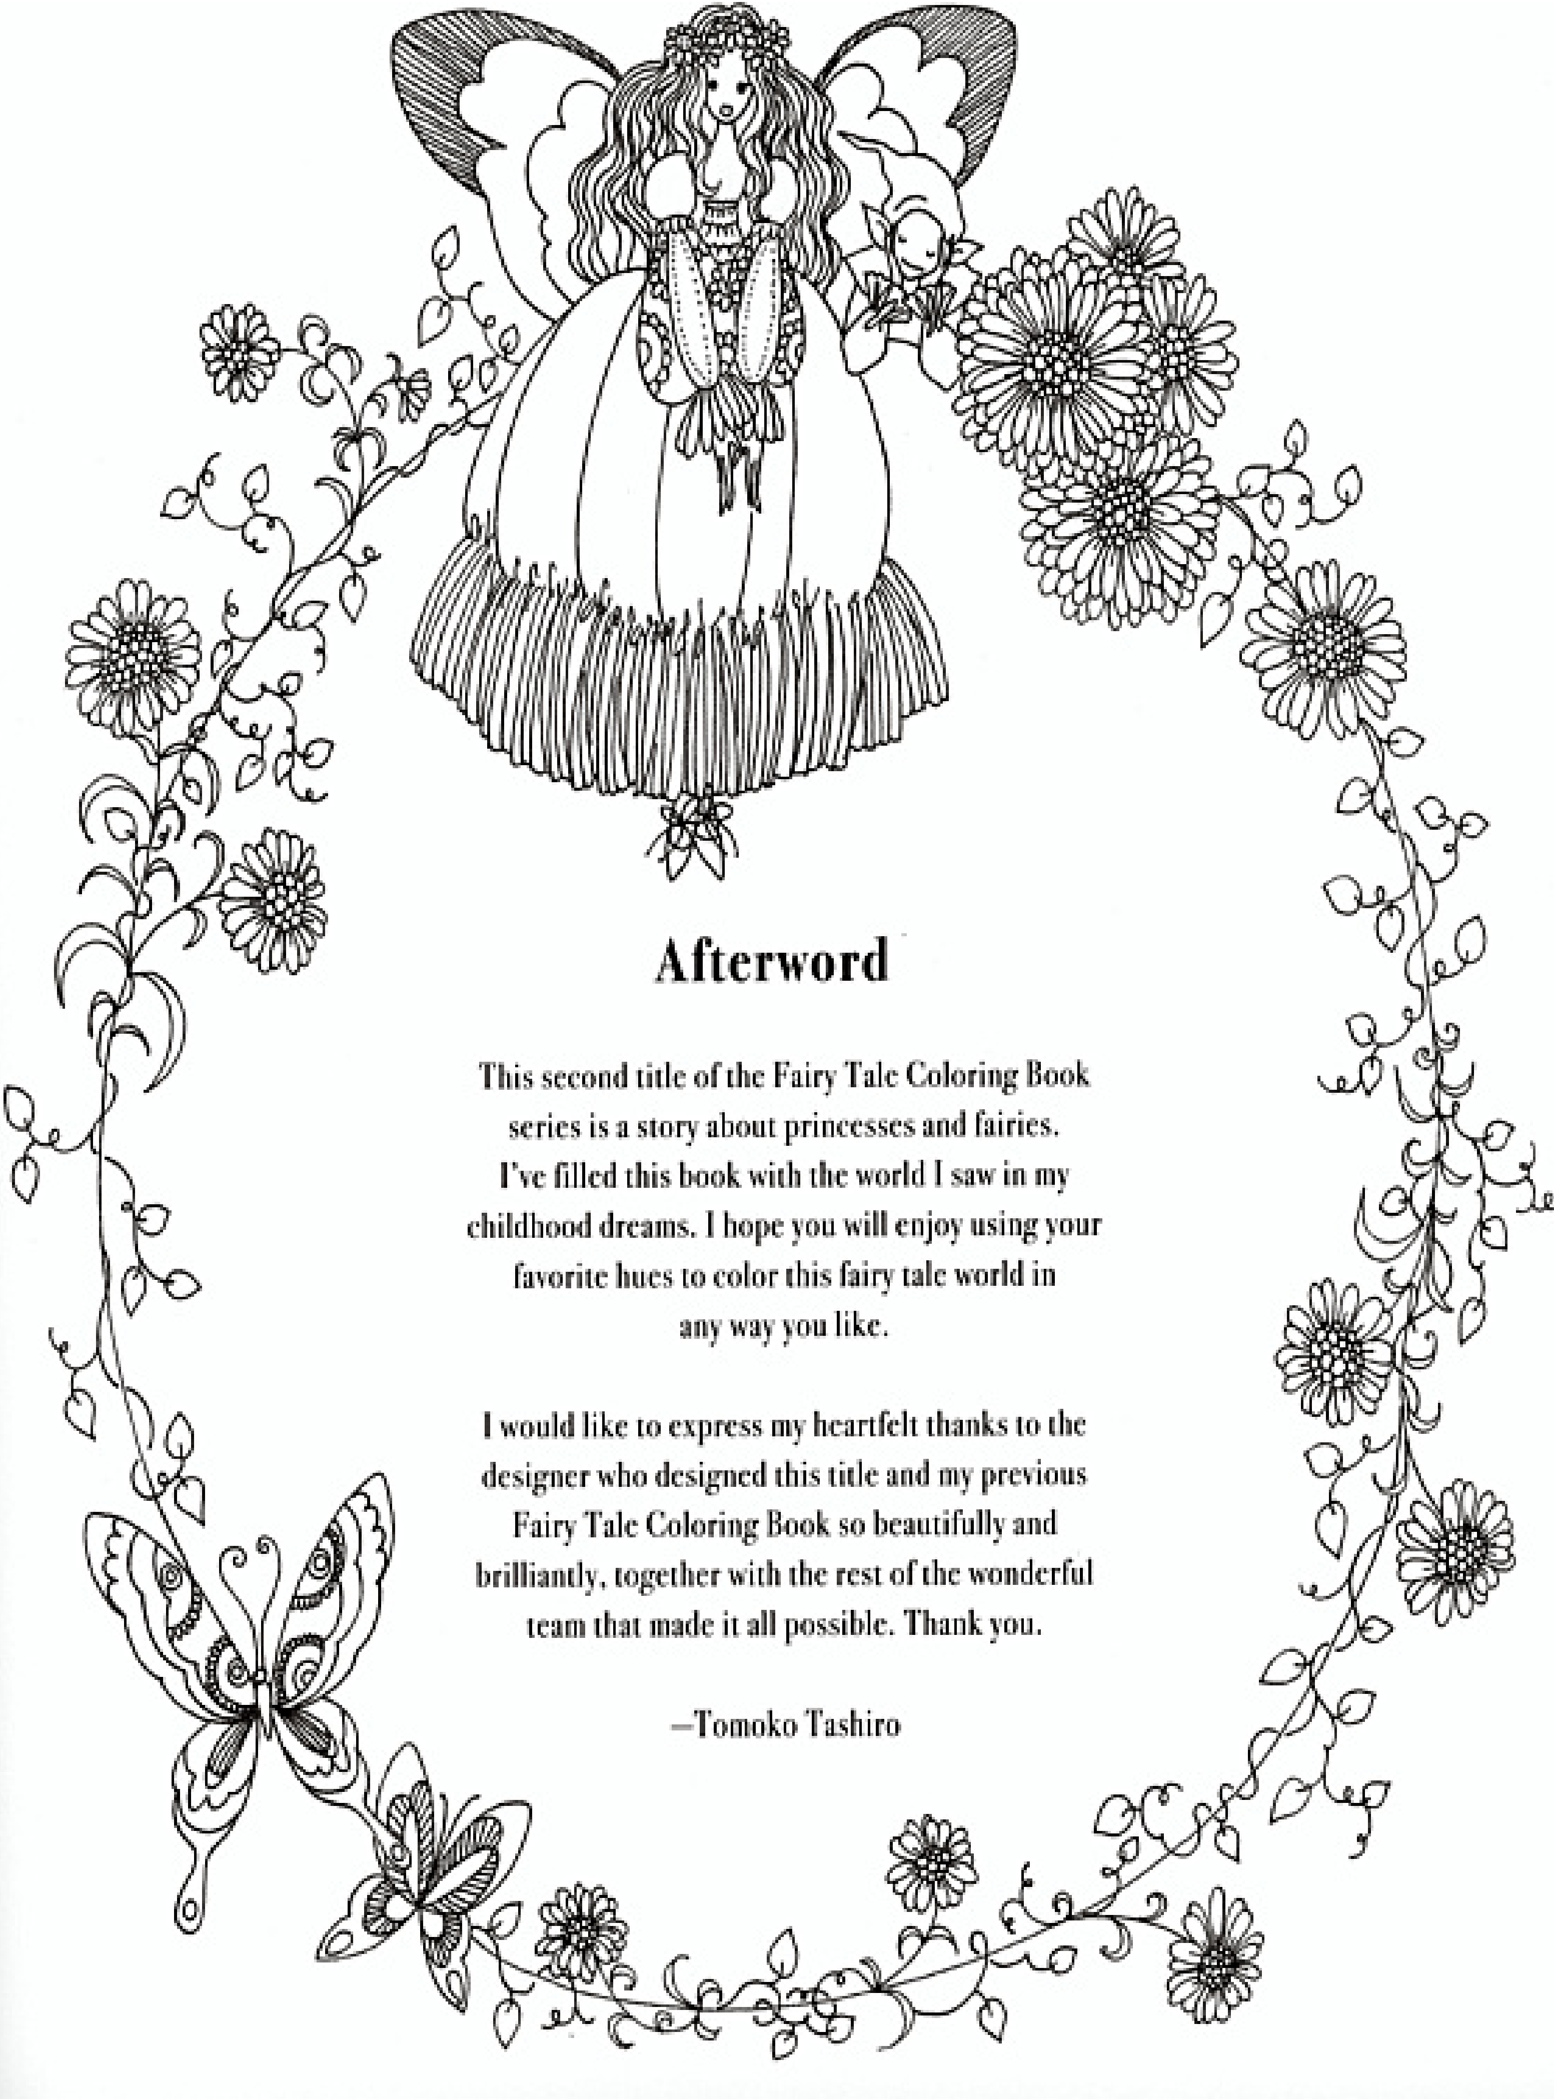
## THE STAR FESTIVAL STORY





# Afterword

This second title of the Fairy Tale Coloring Book series is a story about princesses and fairies. I've filled this book with the world I saw in my childhood dreams. I hope you will enjoy using your favorite hues to color this fairy tale world in any way you like.

I would like to express my heartfelt thanks to the designer who designed this title and my previous Fairy Tale Coloring Book so beautifully and brilliantly, together with the rest of the wonderful team that made it all possible. Thank you.
